## Vice President's Seminar

The Vice President's Seminar provides classes for qualifying Financial Advisors to attend to learn best practices, tips/tricks, and various relevant trainings from some of the best in the financial industry. Brent Kvech and Michael McFeeley, Partners at Academy Financial, Inc., got to give back and be part of the faculty this year. They volunteered their time to help teach and collaborate with the upcoming bright stars in the Lincoln Financial Advisors channel.

Vice President's Seminar 2020 | Gaylord National Harbor, Maryland
